Hon. Commissioner for Patents

Sir:

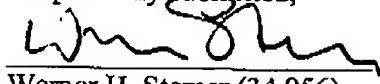

Responsive to the Office Action dated January 11, 2006, the following remarks are made:

In deference to the restriction requirement on page 2 of the above-identified Office Action, applicants elect group I, claims 1 - 15 for prosecution at this time.

Applicants reserve the right to file a divisional application including the product claims of group II at a later date.

In view of the foregoing, the early issuance of an Action on the merits of claims 1 - 15 is solicited.

Respectfully submitted,

Werner H. Stemmer (34,956)
